COMPLETE SERVICE MENU AND PRICING

BODY WAXING SERVICES

Brazilian (Women Only)

Price: \$62.00

Description: The most comprehensive intimate waxing service offered. This premium service allows for complete customization based on client preference - from a full Brazilian (complete hair removal from the pubic area, labia, and perianal region) to partial removal with desired shaping. The service includes thorough waxing of the bikini line area to ensure no hair extends beyond underwear or swimwear lines, plus complete butt strip coverage for a seamless finish. This service requires the highest level of skill and client comfort management, typically taking 30-45 minutes for optimal results.

Bikini Full (Women Only)

Price: \$51.00

Description: Comprehensive front bikini area waxing service that covers significantly more area than a basic bikini line service. Clients can customize the amount of hair removed from the front pubic region according to personal preference, from minimal cleanup to extensive removal while maintaining natural coverage. Includes complete bikini line grooming to ensure no hair is visible

beyond underwear or swimwear. This service is ideal for clients who want more coverage than a basic bikini but prefer to maintain some natural hair. Service typically takes 20-30 minutes.

Bikini Line (Women Only)

Price: \$44.00

Description: Essential bikini maintenance service that removes hair from the areas most visible in underwear and swimwear. Coverage includes 4 finger widths from the natural bikini line on each side, ensuring no hair extends beyond standard underwear lines, plus 2 finger widths from the top of the pubic area to create a clean upper boundary. This service is perfect for clients new to professional waxing or those who prefer minimal hair removal while maintaining a groomed appearance. Quick and efficient service typically completed in 15-20 minutes.

Full Butt

Price: \$30.00

Description: Complete hair removal for the entire buttock area, including both the central butt strip (hair between the buttocks) and the outer buttock cheeks. This comprehensive service ensures smooth, hair-free results across the entire posterior region. Often requested as an add-on to Brazilian or bikini services for complete lower body smoothness. Service includes professional positioning and comfort measures for this sensitive area. Typically takes 15-20 minutes to complete.

Butt Strip

Price: \$18.00

Description: Targeted hair removal service focusing specifically on the central strip area between the buttocks. This service addresses hair growth in the perianal region and is commonly requested as an enhancement to other intimate waxing services. Quick and efficient service typically completed in 10-15 minutes. Often combined with bikini or Brazilian services for comprehensive intimate area grooming.

Underarms

Price: \$22.00

Description: Complete underarm hair removal service that eliminates all hair from the armpit area. This popular maintenance service provides smooth, long-lasting results that typically last 3-4 weeks between appointments. Ideal for clients who want to avoid daily shaving and achieve

consistently smooth underarms. The service includes pre-treatment skin preparation and post-treatment soothing care. Quick service typically completed in 10-15 minutes.

Full Arms

Price: \$50.00

Description: Comprehensive arm hair removal covering the complete arm from shoulder to fingertips. This thorough service includes the upper arms, forearms, shoulders, backs of hands, and individual finger hair removal. Perfect for clients with noticeable arm hair who want completely smooth arms for sleeveless clothing, professional appearance, or personal preference. This extensive service typically takes 30-40 minutes and provides results lasting 4-6 weeks.

Half Arm

Price: \$32.00

Description: Flexible arm waxing service offering two options: upper arm treatment (from shoulders through elbows including shoulder area) or lower arm treatment (from elbows through hands and fingers). Clients can choose based on their specific hair growth patterns and aesthetic preferences. This service is ideal for clients who have hair growth concentrated in specific arm areas rather than requiring full arm treatment. Service time varies from 15-25 minutes depending on selected area.

Full Chest

Price: \$35.00

Description: Complete chest hair removal service covering the entire chest area from the collar bone to the upper abdomen. This comprehensive service includes hair removal from around the nipples and throughout the chest region. Popular with clients seeking smooth chest appearance for athletic activities, professional requirements, or personal aesthetic preferences. Service includes careful attention to sensitive nipple areas with appropriate comfort measures. Typically takes 20-30 minutes.

Chest Strip

Price: \$18.00

Description: Targeted hair removal focusing on the central chest area, specifically the strip of hair running down the center of the chest from the collar bone toward the abdomen. This service

addresses the most prominent chest hair growth area without requiring full chest treatment. Ideal for clients who have concentrated hair growth in the central chest region. Quick and efficient service typically completed in 10-15 minutes.

Nipples

Price: \$15.00

Description: Specialized service targeting hair growth specifically around the nipple area. This delicate service requires careful technique and attention to the sensitive nature of nipple skin. Often requested as an add-on to other chest services or as a standalone maintenance treatment for clients with isolated nipple area hair growth. Service includes appropriate comfort measures and gentle techniques for this sensitive area.

Full Stomach

Price: \$35.00

Description: Complete abdominal hair removal covering the entire stomach area from just below the chest to the waistline. This comprehensive service addresses all stomach hair growth including the area around the navel and extending to the sides of the torso. Popular with clients who have noticeable stomach hair and want completely smooth abdominal appearance. Service typically takes 20-25 minutes and provides long-lasting smooth results.

Stomach Strip

Price: \$18.00

Description: Focused hair removal service targeting the central strip area of the stomach, specifically from the top of the underwear line extending upward to the belly button. This service addresses the most common area of stomach hair growth without requiring full abdominal treatment. Ideal for clients with concentrated hair growth in the central stomach region. Quick service typically completed in 10-15 minutes.

Full Legs

Price: \$80.00

Description: The most comprehensive leg waxing service, covering both upper and lower legs completely from the hip area down through the feet and individual toes. This extensive service provides completely smooth legs including the inner thighs, knees, shins, calves, and foot areas. Perfect for clients who want completely hair-free legs for swimwear, professional appearance, or

personal preference. This is Bare Canvas's most time-intensive body service, typically requiring 45-60 minutes for thorough completion and providing results lasting 4-6 weeks.

Inner Thigh

Price: \$20.00

Description: Specialized service targeting hair growth on the inner thigh area, specifically focusing on hair that extends outside the natural bikini line toward the inner leg. This service is commonly requested as an enhancement to bikini services or for clients who experience hair growth in this specific area. The service requires careful positioning and professional technique for client comfort in this sensitive region.

Half Legs

Price: \$42.00

Description: Flexible leg waxing service offering two comprehensive options: Upper leg treatment includes inner thighs, outer thighs, and knees, providing smooth results from hip to knee. Lower leg treatment includes knees, shins, calves, feet, and toes, covering from knee to toe. Clients can select based on their specific hair growth patterns, budget considerations, or seasonal needs. Each option typically takes 25-35 minutes and provides excellent value for targeted leg smoothness.

Back of the Upper Leg

Price: \$20.00

Description: Targeted service focusing specifically on the posterior portion of the upper leg area, addressing hair growth on the back of the thighs. This area is often overlooked in standard leg services but can be highly visible in swimwear and shorter clothing. Service is commonly requested as an enhancement to other leg services or for clients with concentrated hair growth in this specific area.

Full Back

Price: \$55.00

Description: Complete back hair removal service covering the entire back area from the shoulder line down to the waistline. This comprehensive service addresses all back hair growth including the upper back, middle back, lower back, and shoulder blade areas. Popular with clients who have extensive back hair growth and want completely smooth results for swimwear, intimate

situations, or personal comfort. This service typically takes 30-40 minutes due to the large area coverage.

Lower Back

Price: \$24.00

Description: Focused back waxing service targeting specifically the lower third of the back area, from approximately the mid-back region down to the top of the buttocks. This service addresses the area where back hair growth is often most concentrated and visible above low-rise clothing. Ideal for clients who have hair growth primarily in the lower back region without requiring full back treatment.

Toes (Wax)

Price: \$15.00

Description: Detailed hair removal service focusing on the top surfaces of the feet and individual toes. This service addresses hair growth on the foot area that can be visible in open-toe shoes, sandals, or barefoot situations. The service includes careful attention to individual toe hair and the top portion of the foot area. Quick and precise service typically completed in 10-15 minutes.

Hands (Wax)

Price: \$15.00

Description: Professional hand hair removal service covering the top surfaces of both hands and individual fingers. This service addresses visible hand and finger hair that can be prominent in professional or social situations. The treatment includes careful attention to knuckle areas and individual finger surfaces. This detail-oriented service is popular with clients in professional settings or those who prefer completely smooth hand appearance.

FACIAL WAXING SERVICES

Eyebrows

Price: \$20.00

Description: Professional eyebrow shaping service that includes precise waxing to create the desired brow shape, followed by detailed trimming of longer hairs and careful tweezing for perfect finishing touches. This comprehensive service takes into account face shape, natural brow growth patterns, and client preferences to create flattering, well-groomed eyebrows. The

service includes consultation to determine optimal brow shape and maintenance advice for maintaining results. Typically takes 15-20 minutes for complete brow transformation.

Lip

Price: \$10.00

Description: Quick and efficient upper lip hair removal service that eliminates unwanted facial hair from the upper lip area. This popular maintenance service provides smooth, hair-free results that typically last 3-4 weeks. The service uses gentle techniques appropriate for the sensitive facial skin area and includes post-treatment soothing care. Ideal for regular maintenance and provides immediately noticeable results for facial smoothness.

Lower Lip

Price: \$10.00

Description: Specialized facial waxing service targeting hair growth specifically on the lower lip area and surrounding region. This precise service addresses fine hair growth that can be particularly noticeable in certain lighting or close-up situations. Uses gentle facial waxing techniques appropriate for the delicate lip area. Quick service typically completed in 5-10 minutes with immediate smoothing results.

Cheeks

Price: \$15.00

Description: Professional cheek hair removal service that addresses hair growth on the cheek areas, including both fine facial hair and more noticeable hair growth patterns. This service creates smooth, hair-free cheeks that enhance overall facial appearance and makeup application. The treatment covers the full cheek area from the hairline to the jawline. Uses gentle facial waxing techniques and includes post-treatment care for sensitive facial skin.

Nose

Price: \$13.00

Description: Specialized nasal hair removal service that carefully removes unwanted hair from inside the nostrils using precise, gentle techniques. This detailed service addresses visible nostril hair that can be particularly noticeable and affects overall facial grooming appearance. The service requires specialized technique and tools designed specifically for nasal hair removal safety and comfort. Quick but meticulous service typically completed in 10 minutes.

Chin

Price: \$13.00

Description: Professional chin hair removal service that eliminates unwanted hair growth from the chin area, including both fine hair and more prominent hair growth. This service is essential for many clients' facial grooming routines and provides smooth, confident results. The treatment addresses the full chin area and may extend slightly onto the neck area if needed. Uses appropriate facial waxing techniques for this sensitive area.

Sideburns (Wax)

Price: \$15.00

Description: Precise sideburn area hair removal service that shapes and cleans the sideburn region for a polished, well-groomed appearance. This service can range from light cleanup of natural sideburn lines to more extensive shaping based on client preference and hairstyle requirements. The treatment creates clean, defined sideburn lines that enhance overall facial appearance and complement hairstyling. Service includes consultation for optimal sideburn shape and length.

Hair line (Wax)

Price: \$13.00

Description: Specialized forehead hairline service that removes unwanted hair growth along the hairline edge, creating a clean, defined boundary between hair and forehead. This service addresses baby hairs, irregular hairline growth, or hair that extends too low on the forehead. The treatment can help create the appearance of a higher forehead or cleaner hairline for improved facial proportions. Requires precise technique to ensure natural-looking results.

Full Face

Price: \$60.00

Description: The most comprehensive facial waxing service offered, providing complete facial hair removal for a perfectly smooth, groomed appearance. This extensive service includes hairline cleanup, complete eyebrow shaping with trim and tweeze, nose hair removal, full cheek coverage, sideburn shaping, upper and lower lip treatment, chin hair elimination, and front neck area cleanup. This premium service is ideal for clients who want complete facial hair management in a single appointment or those preparing for special events. The service typically

requires 45-60 minutes for thorough completion and provides the most dramatic facial smoothing results.

Neck

Price: \$15.00

Description: Complete neck hair removal service covering both the front and back portions of the neck area. This service addresses hair growth that can be visible above collar lines, in necklines, or during updos and shorter hairstyles. The treatment includes the front neck area from jawline to collar bone and back neck area from hairline to upper back. Popular with clients who have noticeable neck hair growth or professional requirements for groomed appearance.

Ears

Price: \$13.00

Description: Specialized ear hair removal service that carefully addresses hair growth both inside and outside the ear area. This detailed service removes visible ear hair that can affect overall grooming appearance and personal comfort. The treatment requires specialized techniques and tools designed for ear safety and includes both outer ear area and careful inner ear cleanup. This service is particularly popular with male clients and those with noticeable ear hair growth.

SPECIALIZED BROW SERVICES

Brow wax + lamination & tint

Price: \$90.00

Description: Brow lamination + tint is a transformative chemical process that straightens, lifts and sets the brow hairs to create a fuller, more polished look. The lamination lasts 4-8 weeks and tint lasts 4-6 weeks. This service includes brow waxing and shaping.

Brow wax + tint

Price: \$45.00

Description: Enhance the shape and color of your eyebrows with our Brow wax + tint service. Tint lasts 4-6 weeks.
