Headline: Your First Visit to Bare Canvas - What to Expect **Subheadline:** Understanding the process helps you feel more comfortable and confident about your upcoming service.

Introduction: I understand that professional waxing - especially services like Brazilian waxing - can feel intimidating if you've never experienced it before. That's completely normal, and it's why I always take time to explain exactly what happens during your visit.

Hundreds of first-time clients have told me that knowing what to expect made all the difference in their comfort level. Here's a detailed walkthrough of your visit from start to finish.

Before Your Appointment

- This removes dead skin cells and helps prevent ingrown hairs
- Use a soft scrub or dry brush in circular motions

Day of Your Appointment:

- Take a warm shower to ensure the area is clean
- Avoid lotions, oils, or deodorant on areas to be waxed
- Consider taking an over-the-counter pain reliever 30 minutes before (optional)
- Wear comfortable, loose-fitting clothing

- You may experience minor sensitivity for 24 hours
- The results are immediately visible - smooth, hair-free skin
- Most clients feel amazed by how smooth their skin feels

Service-Related Questions

Q: How long does each service take? A: Service times vary by area: Eyebrows (15-20 min), Bikini Line (15-20 min), Brazilian (30-45 min), Full Legs (45-60 min), Full Face (45-60 min). I never rush your service - comfort and quality results are the priority.

Q: How often should I get waxed? A: For best results, every 4-6 weeks. This timing allows your hair to grow to the ideal length while maintaining smooth results. Regular waxing actually makes each service more comfortable over time.

Q: What's the difference between your services and chain waxing centers? A: I provide personalized, one-on-one attention in a private professional suite. I take time to explain the process, customize the service to your comfort level, and build a relationship with each client. You're not rushed through like at larger centers.
